

CHRISTIAN SCHOOL LEAGUE

BASKETBALL RULES:

These rules apply to both boys and girls teams

1. Varsity and JV games are 7 minute quarters, stop time.
2. CIF rules are used.
3. Make sure an adult is at the scoring table. Put an "X" on the floor at the score table for those players who are checking in.
4. The varsity and junior varsity team rosters must be set, and sent to the presidents by the start of the season.
5. There should not be movement of players between the two rosters. In case of serious extenuating circumstances, contact can be made with the appropriate league president (*i.e., Steve Green for girls, Bruce Wallace for boys*) to request moving a player from one roster to the other. A player cannot be moved from one roster to the other without the express consent of the league president.
6. The game ball must be NFHS approved.
