Financial Aid

Preschool - 8th grade (on-campus programs)

Because we are committed to providing a Christian education to all families who desire it, WCS provides need-based tuition assistance to families who enrolled in our on-campus programs. WCS uses a third-party to assess a family's need. You can begin this online process by going to [WCS' website](#) and clicking on the tab at the left that says "2010-2011 Re-enrollment." Then click on the link that will take you to www.ismfast.com. There is a \$30 fee to complete this process. If you cannot complete an online process, your school office will be glad to help you complete it on a school computer.
